

# Ski Breck 2017!!!

Saturday, 4 to Saturday 11 February.

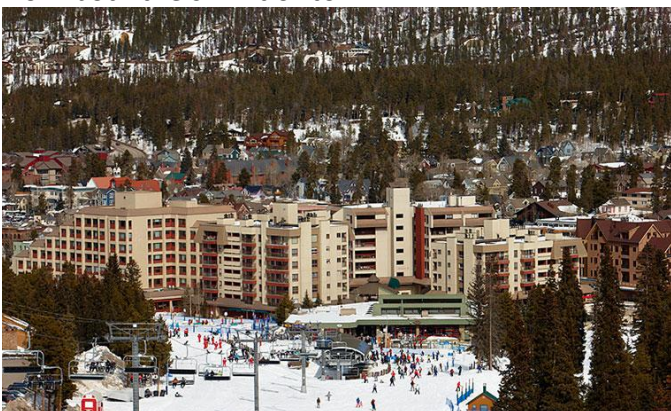

Breckenridge is one of the most popular ski destinations in North America. The trip cost includes 7 nights at the Village at Breckenridge, which is our first choice of accommodations. 5 days of lift tickets to Ski at either Breck, Keystone, Arapahoe Basin, Vail or Beaver Creek. And More!

All the Condos are 2 Bedroom, 2 Bath (double occupancy) with spacious living, dining & kitchen facilities.

The Village is at the base of Peak 9 and steps away from both the ski lift or town.

The trip is a Blue Ridge Ski Council trip so a welcome dinner (Super, Super Bowl Party), race event, mid-week dinner and a farewell dinner & dance are included.

The Village at Breckenridge is located 2 hours from Denver (DEN) Airport and is “ski in – ski out” to some of the world’s finest skiing. We will be right in the middle of town so a short walk to any of the fine restaurants or other fun things there are to do in town, including the International Snow Sculpture Viewing. The trip flight is to and from BWI Airport aboard United Airlines. Bus Transportation to and from Denver, including one day to Vail, is included.

The absolute final date to sign up for this trip is 1 December 2016 and all fees must be paid by then.
