

ToHellURide 2015

January 11-18, 2015

Hey Gang! We're going back to Telluride this year but with a twist from where we normally stay. We are going to stay at the Mountain Lodge at Telluride right on the mountain with ski-in/ski-out condos, and it will be from Sunday-to-Sunday.

This is a beautiful condo property at the mid-mountain village between Double Cabin and Village Bypass trails. Also available is a free day or night shuttle to and from the gondola – although the property is ski-in!

There are deluxe two bedroom condos, and we could try to get condos with a loft bedroom that could sleep 5, at approximately \$140 pp lower.

Condominium suites have comfortable living area, gas fireplace, private balcony, and a kitchen with refrigerator, gas range, microwave, and a dishwasher.

Amenities include the Tavern Lobby Bar, a full-service front desk, concierge services, general store, ski valet, daily housekeeping, and grocery shopping service van.

Recreation facilities include premier location with true slope-side access, outdoor deck with heated pool and Jacuzzi, exercise room if you do not get enough on the slopes, steam room, men's and women's locker rooms with showers, and ski lockers and storage.

Included are air, ground transfers, 5-day lifts, tips, and lodging for 7 nights. With two options to choose from, there might be a decrease or increase to accommodate the majority of participants.
